The Minister of CIVIL AVIATION

(Shri Ashok Gajapathi Raju Pusapati)

(a) to (d): A Statement is laid on the Table of the House.

STATEMENT IN RESPECT OF PARTS (a) TO (d) OF THE LOK SABHA STARRED QUESTION NO.174 REGARDING "USER DEVELOPMENT FEE" TO BE ANSWERED ON 27TH JULY, 2017.;; (a) Government of India has established Airports Economic Regulatory Authority (AERA) for regulating tariffs and other charges for the aeronautical services rendered at major airports in the Country. The Aeronautical Tariff, which includes the User Development Fee has been revised by AERA after due consultation with the stakeholders to meet the aggregate revenue requirement for recovery of the cost of development of infrastructure and operating expenses at Thiruvananthapuram Airport. ; ; (b) Yes, Madam. As already stated in reply to (a) above, UDF is levied as a revenue enhancing measure to bridge any revenue shortfall so that the airport operator is able to recover the cost of development of infrastructure and operating expenses at that particular airport and therefore, the UDF varies from airport to airport. ;; (c) & (d): No, Madam. Government does not involve itself in regulation of tariffs and other charges for the aeronautical services rendered at major airports.
